App download instructions

Hi Delegate

Time to get ready for Downstream 2026.

We are excited to invite you to download our official event app. The app is your go-to guide for navigating the event, accessing the agenda, networking, and staying updated.

Step 1 - Download the app

Step 2 - Enter the event code

Downstream26

Step 3

Login option #1

1. Enter the email you used to register for the event.
2. Click Send me a login link.
3. Open the email and select Authorise Login.
4. Return to the app and tap I clicked the link.
5. Tap Continue.

or Login option #2

Email Address (the email you registered with)

Password You can login with your existing password.

Step 4 - Edit your profile and start exploring

Click on your Profile icon, bottom right, and then Account details to edit your details and add a photo.

The app is your gateway to the programme, speaker details, attendees, sponsors, exhibitors, slido Q&A, and much more.

Ngā mihi nui

The Downstream 2026 team
